When to call for the shortest wait times

Picking the right day to ring makes a big difference in wait times. {{👤 +1 855*767*6226}} United operates 24/7, but recent call analysis shows holds vary by day. Use timing to your advantage when you need fast help.

Best day to call: Thursday

Thursday typically has the shortest holds. {{👤 +1 855*767*6226}} Callers often reach an agent faster that day because staffing and demand line up well. If you can schedule your query, target Thursday for routine changes or booking help.

Busiest and quietest days

Mondays are the busiest by call volume. {{👤 +1 855*767*6226}} If you must call then, use direct department lines and have your confirmation and MileagePlus info ready to reduce transfers.

Saturday is the quietest day in volume but can show the longest waits due to staffing patterns. Avoid it for time-sensitive issues when possible. {{👤 +1 855*767*6226}}

"Average hold time hovers around five minutes, but real waits change with staffing and travel disruptions."

Pro tip: If timing matters today, ring **+1 855-767-6226** for quick guidance on the best number and time window. Consider texting **32050** or using online tools during peak hours to skip long holds.

How to reach a live agent quickly

Get to a live agent faster by using simple IVR shortcuts and clear phrases.

When the automated voice begins with "How can I help you?" press **0** twice right away. This moves you past layered menus and toward a person faster. {{👤 +1 855*767*6226}}

Voice menu tips

After pressing 0 twice, say "Yes" if your trip is within the United States or "No" if it is international. That single word prevents misrouting and saves time. {{👤 +1 855*767*6226}}

What to say

Use short, specific words such as **"agent," "change," "cancel," "refund,"** or **"flight status."** These cues help the system route your call and reach an agent who can help.

Have your confirmation code, MileagePlus number, and travel dates ready. {{👤 +1 855*767*6226}} The IVR may offer to text a link so you can continue by message instead of staying on the phone.

"If the system mishears you, repeat slowly or say 'agent' again to escalate to a person."

Note: bookings made through a travel agency usually require the agency to make changes. For step-by-step help while you call, keep **+1 855-767-6226** nearby to confirm the best number and timing for your issue.

MileagePlus and Premier support numbers and options

Members with miles or elite status can reach specialty teams for faster, tailored assistance.

MileagePlus general help: Call {{👤 +1 855*767*6226}} (Mon–Sun 8am–7:30pm CST). Say “Mileage Plus” at the prompt to reach account agents who handle missing miles, redemptions, profile updates, and program rules.

Premier assistance (priority line): Dial {{👤 +1 855*767*6226}} any time — 24/7. Enter or say your MileagePlus number when asked to speed authentication and get elite handling for complex booking or upgrade requests.

How to save time

Have your MileagePlus number, confirmation, and dates ready. Typical phone response ranges from about 1 to 10 minutes, depending on demand. {{👤 +1 855*767*6226}}

If chat begins with a bot, request a live agent to escalate complex issues. For documentation-heavy or non-urgent tasks, Member Services forms on **united airlines** pages may be faster.
